

ETOBICOKE BRIDGE CENTRE

**Retired; Empty-nester; Afternoons Free?
Working from home and able to sneak in
some lessons? Looking to learn the greatest
game ever? **Bridge** is your answer.**

Bridge is a stimulating game that you can spend as much time as you choose learning and enjoying. It is a wonderful but complex game and it is very important to get off to a proper start by taking lessons at Etobicoke's biggest bridge centre, taught by an ACBL-certified Ruby Life Master. Have fun, get passionate, exercise your mind like no other game can. You will also eventually meet many great people, once we are able to return to physical bridge at the Etobicoke Olympium
